As a full spectrum Chiropractic office, we focus on your ability to be healthy. Our goals are, first, to address the issues that brought you to this office, and second, to offer you the opportunity of continued wellness care. On a daily basis we experience physical, chemical and emotional stresses that can accumulate and result in serious loss of health potential. Most times the effects are gradual, not even felt until they become serious. FINANCIAL RESPONSIBILITIES

I understand and agree that health and accident policies are an arrangement between an insurance carrier and myself. I authorize payment directly from my insurance company to Carbone Chiropractic Center. Furthermore, I understand that this office will prepare any necessary reports and forms to assist me in making collection from the insurance company and that any amount authorized to be paid directly to this office will be credited to my account upon receipt. However, I clearly understand and agree that all services rendered to me are ultimately my personal responsibility. I also understand that if I suspend or terminate my care and treatment any fees for professional service rendered me will be immediately due and payable.

If I have insurance, I am responsible for my insurance deductible, co-payments and any service rejected by my insurance company. I am also aware that if I have not made a payment on my outstanding balance within a 30 day period, a service fee of 4 % will be added to my account. If I have an outstanding balance that may be served to a collection agency, there will be an additional fifty dollar fee added.

This office cannot promise that an insurance company will pay. In the event that the insurance company disputes or rejects the claim, we will pursue on your behalf as far as we are able to. If unsuccessful, you will be expected to take responsibility for any outstanding balance.

I authorize this office to release any information pertinent to my case to any insurance company, adjuster and/or attorney involved in this case, and hereby release this office of any consequences thereof.

Although our office will call to verify your insurance coverage, it is your responsibility to confirm and know your benefits. If you have limited coverage, you are responsible to know when your insurance will stop paying your claims.

I certify that the information provided in this four-part form is correct to the best of my knowledge. I will not hold my doctor or any staff member of Carbone Chiropractic Center responsible for any errors or omissions that I may have made in the completion of this form.

Chiropractic is a system of health care delivery and therefore, as with any health care delivery system, we cannot promise a cure for any symptom, condition or disease as a result of Care in this office. An attempt to provide you with the very best care is our goal and if the results are not acceptable, we will refer you to another health care professional who we feel can further assist you.
